MOTION FOR LEAVE TO FILE A RESPONSE

Meadowlark Group, Inc. ("MGI"), by its attorney, hereby respectfully requests leave to file a response to the "Reply Comments" filed in this proceeding by Jacor Broadcasting of Colorado, Inc. ("Jacor"), under date of May 20, 2003. In support thereof, it is alleged:

1. The Commission's pleading rules only provide for a motion, an opposition, and a reply. In rule making proceedings, however, the rules only provide for the filing of comments (or a counterproposal) and reply comments. There is no provision for the filing of a response to reply comments.

2. In this case, however, Jacor has filed Reply Comments attacking MGI's counterproposal - a counterproposal which contemplates the allotment of a channel to Creede, Colorado, as that community's first local broadcast service. Considerations of fairness and equity require that MGI be afforded an opportunity to respond. Even more importantly, a response should be considered, so that the Commission will have before it a complete and accurate record when it makes its decision in this proceeding. See, *Bowling Green, Kentucky*, 8 FCC Rcd 2097 (All. Br. 1993) at n. 4.

3. MGI is today filing a response. Consideration of a response will not prejudice any party to this proceeding.

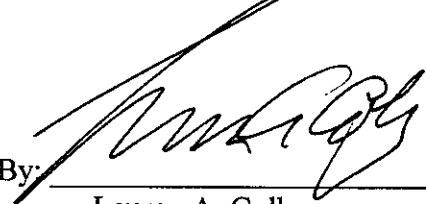

WHEREFORE, it is respectfully requested that "Meadowlark Group, Inc.'s Response to Jacor's Reply Comments" be accepted.
